Date:09/09/2009

Dear Ms. Sruthi

I Would Like to Explain My Interest In Studying Doctor Of Philosophy In University Of Hamburg, In Germany To Improve My Skills And Knowledge

I'm Extremely Keen To Apply For Ph.D. In The Department Of Data Science In Hamburg University, Germany As Its My Careers Best Turn To Be Person What I Want To Become. It's Research And Development Program Methods Are Very Good Match For Graduation I Did. I Completed My Bachelors In Cs In Osmania University Hyd. The Skills Which Learned Over These Years Are Extremely Useful For My Higher Graduation. I Learned All The Skills That Required For Data Science Department. My Skills Set Includes C-Language, C++, Java, Advanced Java. I Participated In Internships In Major Companies To Improve My Coding Skills And My Knowledge In Programming. My Internship, My Supervisor Mr. Raj Kiran Helped In Understanding The Data, Programming, Coding Skills. His Suggestions Towards Ph.D. Made Me Thinking About My Careers Highest Degree, Which I Feel Pushed Me In Good Path.

After Completing My Bachelors In C.S I Gained Great Knowledge. Then Decided To Do Masters In Computer Science. Then I Joined In the University Of Alberta In Computer Science Department. What I Learned During My Bachelors Of C.S Are Significantly Improved. My Coding Are Programming Skills Are Appreciated By Many Of My Friends And Professors. I Gained Lot Of Knowledge And Techniques Over This Period Of Of Time.

In Addition To That, I Participated In Internships In Reputed Companies To Get Better Knowledge. Which Helped In Achieving Proper Knowledge About Data Programming. During This Time I Worked In Development Forums Such Xda Forums For Android Development And Window Development. Which Helped Me J Learning Program Development.

After Completing My Masters With Good Score And Proper Knowledge In Coding, I Decided That Phd In Data Science As My Career. I Decided To Join In Hamburg University In Germany As It's The One Of The Best University In Germany. As I'm Hoping That This Is My Career Best Opportunity To Become What I Wanted Since My Childhood Days. I'm Hoping This Descion Will Push Me Towards Right Path And Helps Me In Getting Proper Skills Set.

The Hamburg Is Best Known For Giving High-Quality Education In Ph.D. Which Is Exactly What I'm Expecting. During This Period Of I Want to Improve Both My Theoretical And Practical Knowledge Which Essential For Person. The Knowledge And Skills I Learned Over The Years Are Going To Be Fully Utilized During These Time.

During my Ph.D. I Want To Utilize My Knowledge And Programming Skills To Makes My Training Easy. My Knowledge And Experience Are Enough To For To In The University Of Hamburg. I Thinking About Participating In The Development Websites During This Time So That U Can Sharp My Skills.

I'm Certain About Completed The Research In This University As My Previous Experience And Coding Skills Are Already Enough For My Research. I Confident That My Graduation Will Go Without Any Obstacles Cuse I'm Already Aware Of What I'm Doing, I'm Already Prepared For This. I Already Prepared For This Over The Years Wil Provides Me Proper Way To Achieve The Ph.D

As I Already Consulted With Dr. Johnson And Explained My Interest In Joining The University, I Hope He Is Going To Be Helping Me In Achieving My Goals.

Finally, I Want To Conclude That The Professional Experience And Knowledge Gained In Coding And Programming Over The Years Are Will Be Useful And I'm Going Utilized Them Properly I Achieving My Goals. I Decided To Join In University Oh Hamburg, In Hamburg Germany In Data Science Department To Fulfil My Dreams

Many thanks for your consideration
