

Motivational Letter for Internship

Respected {Name of the Person} {Sir/Madam},

I am {your name}. I am currently pursuing my Bachelor's degree from the {name of the university}. I am writing this letter to inform you that I want to become a part of the internship program conducted by your organization.

I am very much interested in gaining hands-on knowledge because it will ultimately complement my theoretical knowledge and help me hone in my skills. I believe that raw knowledge is useless, until and unless it is sharpened. And, this internship program will help me with the same.

I believe that I am eligible for the internship program on the basis of my educational qualifications.

Thank you for reviewing my letter.

Looking forward to hearing from you.

Yours Faithfully,

Your name
